

# Big City Wedding Budget Calculator

## Instructions:

1. Use the Estimator worksheet to set the estimated budget for each category, listed below the word "Estimated"
2. Record estimated amounts for each item in each category, trying to stay below the Estimated budget
3. When you make a purchase, add the amount to the Actual column
4. Try to make the Total for each category be equal to or less than the Estimated (budgeted) amount
